

INVITED TO CONNECT IN TURVO? HOW TO CLAIM YOUR TENANT

Claiming your tenant is free and confirms to the Turvo network that this is your company's official Turvo account, much like how businesses can claim their business on Google and Yelp.

Claiming your tenant will allow you to:

- Manage users, permissions, and visibility
- Integrate with your existing systems
- Streamline billing and payments
- Customize Turvo to meet your needs with specific configurations and insights

To claim your tenant, click the **Claim my company** button in the top right corner of the screen after you have accepted your Turvo invite and have logged in.

Enter in the required details, including your name, email address, and phone number. You will also be required to indicate that you are authorized to claim this tenant on behalf of your organization. Click the checkbox, and then click **REQUEST CLAIM** to submit.
